Space Derby

Ready...set...GO! Pack 1015 is holding its annual Space Derby this week. Rockets were sent home with Scouts on the night of the Halloween Pack Meeting, 10/21. The pre-derby practice session is only three days away, so parents make time soon to sit down with your Scouts and open that box! Remember, this is meant as an opportunity for the Scouts to put their craftiness to use: be sure to let *them* do all of the design, and as much of the construction as possible. Detailed instructions are included in the box, and a list of pointers based on the collective wisdom of our past participants has been distributed via email. Most importantly, have FUN!

- **NOV. 12:** Test Night at Haight Elementary MPR (**new Scouts** 6:30 – 7:30, all others 7:30 – 8:30)
- **NOV. 13:** Space Derby Race at Maya Lin Elementary MPR 6:30 – 9:30
- **QUESTIONS?** Contact Dorinda tikioasisgirl@gmail.com or Scott shildreth@chabotcollege.edu

Winter Lodge at Camp Richardson, Lake Tahoe

January 29 – 31, 2016 **(URGENT: DEADLINE 12/1)**

There are just a few weeks left to sign up for one of the 9 remaining rooms at historic Camp Richardson. The deadline to register is officially December 1st but we expect to sell

out by Thanksgiving, so act fast! Email info@pack1015.org and/or ckelley@vodafone.com to make your reservation.

For generations, families have been drawn to Camp Richardson for its rustic, cozy cabins and majestic views of Lake Tahoe, not to mention the numerous outdoor activities. Camp Richardson also has the distinction of being one of the few historic sites in the Lake Tahoe area where visitors are allowed to stay overnight. The hotel and nearby lodges and cabins retain their original, Old Tahoe style, yet include all the resort amenities you would expect, including a general store, a café, even an ice cream parlor!

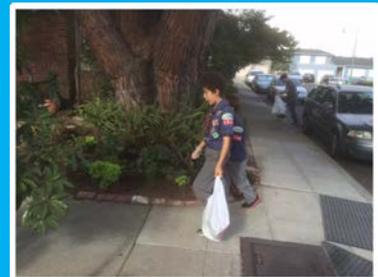

Winter Lodge in Lake Tahoe is one of biggest, best weekend events of the year. Friday through Sunday, Pack 1015 takes over the entire camp: snowball fights, bingo, den skits, pizza, ice cream, fireplaces, board games, snow men, sledding, discovery, and den hikes abound!

- Various lodge and cabin accommodations available for anywhere from 2 to 8 guests
- Prices range from just \$160 to \$360 for the *whole* weekend, including food!

QUESTIONS? For more info and to sign up, please email info@pack1015.org and/or ckelly@vodafone.com

Halloween Trash Pickup, Nov. 1

The day after Halloween, Scouts gathered at Edison Elementary with trash bags and gloves in hand, ready for a service project! After a brief orientation, Scouts canvassed the neighborhood picking up every piece of trash they could find. Along the way, Scouts were greeted with countless thank-yous from the residents and in the end removed over 50 pounds of litter from the sidewalks and streets!

Scouting for Food 2015

– A National Good Turn for America –
November 14 & 21

Scouts and their families and friends are needed to help “Scout for Food” on two consecutive Saturdays in November. The food we collect will be given to the Alameda Food Bank, whose mission is to provide nutritious food to low-income families in Alameda. On Saturday, Nov. 14th, Scouts will be distributing door tags throughout their assigned area, urging households to donate. The following Saturday, Nov. 21st, the Scouts will retrace their steps and pick up donations that have been left curbside.

If you have a van, truck, or other spacious vehicle, we ask that you consider volunteering to follow the Scouts on Nov. 21st and allow them to load the food into your vehicle.

ALL DENS: Come one or both Saturdays. Meet 9am at Edison Elementary for supplies and to be assigned to an area.

QUESTIONS? Contact our Scouting for Food coordinator Matt Brotze via email at mattbrotze@yahoo.com.

USS Hornet Overnight, Nov. 6-7

Over 70 members of Pack 1015 participated in this year’s Fall Ship Overnight, an event where Scouts get to spend the night on a ship in the same quarters as its crew once did! See uss-hornet.org to read more about this Alameda landmark.

Cubmaster’s Corner

The smallest act of kindness is worth more than the grandest intention. -Oscar Wilde

A scout is HELPFUL and a scout is KIND. These are two of the twelve values that cub scouts tries foster among our boys. The upcoming Scouting for Food drive is a great opportunity to promote these values. When participating in the event, take a minute to talk with your scout about the folks we are helping and why we do this food drive.

This is also a great opportunity to be thankful to all of those that have been HELPFUL in recent days by volunteering their time to support the scouts. A big thank you to all of our Pack 1015 volunteers, including **Sophia and Alika Hirano** for coordinating the Popcorn Sales, **Kara Eastwood** for coordinating the USS Hornet Overnight, **Daniel Nolan** for taking on the job as our new Bugler Editor, **Brant Ward** and **Sara Ward** for organizing the Halloween trash pickup, **Kim Rankin** for coordinating the songs at our Pack Meetings, **Chris Kelly** for coordinating the Winter Lodge registration, **Matt Brotze** for coordinating the Scouting for Food, and **Ray Delgado, Scott Hildreth, Chris Robinette** and **Edwin Lager** for coordinating the Space Derby. In addition, thanks to all of our **Den and Pack Leaders** for all that you do on a continual basis. If you see these folks around, take a second to say “thanks!”

Volunteering for Pack 1015

Pack 1015 is 100% volunteer staffed, and we are constantly in need of new and additional volunteers to help coordinate the many activities we do during the year. Time commitments can be as little as just a few hours to plan one event. We have a truly great Pack, and this is because of the voluntary contributions of the parents who step up and take on a small part of the coordination effort. The volunteer positions listed below need to be filled in order to continue to offer these activities to our Scouts:

Angel Island Hike, Oct. 25

Highlights of the Oct. 25th hike included: the ferry trip to and from Angel Island; lessons from Troop 73 on the use of a map and compass; a visit to the Immigration Detention Center, which has been converted to a museum; some playtime at the beach; and a chance to explore the abandoned building pictured below!
