Scouting for Food – Nov. 11th & 18th

Scouts and their families and friends are needed to help “Scout for Food” on two consecutive Saturday mornings, November 11th and 18th. The food collected helps replenish the Alameda Food Bank which in turn helps many in Alameda with daily meals for their families. On Saturday, November 11th, Scouts will be distributing door tags in our assigned area. The following Saturday, November 18th, Scouts will go back to the assigned area and pick up bags full of food and load them into trailing vehicles.

If you have a van and other large storage capacity vehicle, we could really use your assistance in slowly following the Scouts as they collect donations on the pick-up date (Nov. 18)...

Please volunteer one or both days. It’s a great way to spend time outside on your feet, getting to know some of the other Scout families while helping those in great need. This event occurs regardless of the weather so wear comfortable shoes and bring a rain jacket if there is rain in the forecast.

All Dens: Meet on Saturdays at 9:00 AM at the Edison School Playground (corner of Lincoln and Versailles) to be assigned to an area and to get supplies. Please contact our Scouting for Food Coordinator, **Matt Brotze** at mattbrotze@yahoo.com if you have any questions.

Halloween Trash Pickup a HUGE Success!

Halloween has come and gone but the trash was left over! This year about 30 scouts across Pack 1015 combed the neighborhoods surrounding Edison School and collectively picked up over 75 pounds of trash! There were plenty of candy wrappers, drink cans, and even a dirty diaper or two! Aside from beautifying our streets, our Scouts did a “Conservation Good Turn” as a lot of this garbage would have likely made its way

Cubmaster's Corner

"The smallest good deed is better than the grandest good intention." – John Burroughs

Pack 1015 has had several opportunities lately to live the Scout Oath - *to help other people at all times*. Maybe you donated some toys or games for the victims of the Wine Country Fires, helped with the Halloween Trash Pickup, or plan to volunteer with scouting for food (11/11 and 11/18); this time of year is filled with opportunities to help people in need. Thank you to you and your scouts for your good deeds! Teaching our boys the importance of service to others is setting them up for success for life.

Speaking of service to others, I would like to call out the following folks for their meaningful contributions to the Pack:

- **Kim Rankin** and **Dave Keys** for organizing Pack 1015's participation in Webelos Woods
- **Mike Dewindt** for making the October Pack Meeting "Campfire" an *actual* campfire
- **Matt Brotze** for coordinating the toy/game donations for the victims of the Wine Country Fires.
- **Kim Rankin** and **Mike Plocek** for organizing the Little Yosemite Hike

- **Angela Tamblin** and **Dan Siskind** for coordinating the Halloween Trash Pickup
- **Edwin Lager, John Puccini, Drew Fiero,** and **Chris Denhart** for running the upcoming Space Derby practice night and race night
- **All the Webelos I Parents** for coordinating the upcoming Space Derby Cafe
- **Matt Brotze** and **Denise Burpee** for coordinating the upcoming Scouting-for-Food service project

In addition, a big thanks to **all of the Den and Pack Leaders** who keep things going on a continuous basis. If you see these folks around, please take a moment to say “thanks”!

~Gordon Williams, Cubmaster

Friends of Scouting

Help grow big things with the Boy Scouts of America. Donate to the Alameda Council and give young people the chance to have fun, gain confidence, and become leaders who live by the Scout Oath and the Scout Law.

Financial resources for Alameda Council come from our Friends of Scouting (FOS) annual giving campaign, foundation grants, special events, product sales, and income from invested assets.

You can help us close the gap by going to <http://www.bsa-alameda.org/Donate> and choosing a contribution amount you are comfortable with. The Scouts thank you!

Remember that Pack 1015 is now on the web at pack1015.org. The website has lots of info about Pack 1015 and the Alameda Council, but the perhaps the most important resource you will find there is the Pack events calendar. There's also a calendar for each den; to see, please visit pack1015.org. ■
